## SkinRepair™

### **Regenerative skin care gel keeps skin healthy, toned and resilient!**

*The skin is the body's first line of defense against outside elements. Exposure to irritating substances, everyday environmental toxins, as well as the natural aging process, takes its toll on the health and condition of your skin.*

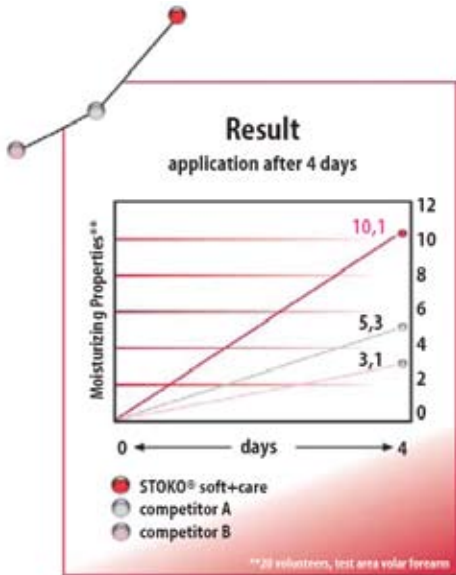

*STOKO SkinRepair™ is an advanced hydrating formula containing Creatine, which is a vital regenerative element found naturally in the skin. The formula works at the cellular level to promote skin renewal and repair to help keep it healthy, toned and resilient.*

- *Helps strengthen and rejuvenate the skin*
- *Contains Creatine to help boost the skin's own natural restorative abilities*
- *Provides advanced hydration with non-oily glycerin and urea moisturizers*
- *Works well as a facial moisturizer to help maintain a smooth, healthy look*
- *Enhances the skin's protective and healing abilities to help maintain a natural barrier.*
- *Refreshing gel formula*
- *Absorbs quickly – leaves no unpleasant residue*
- *Ideal for use on larger areas, such as arms & legs*
- *Easy to apply*
- *Silicone and Lanolin-free*
